

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Brainard Landings Phase 1
DOCKET NO.: 05-02376.001-C-3
PARCEL NO.: 12-480-012-00

The parties of record before the Property Tax Appeal Board are Brainard Landings Phase 1, the appellant, by attorney William J. Seitz of Fisk, Kart, Katz and Regan, Ltd., Chicago; and the Logan County Board of Review.

The subject property is improved with a 56 unit apartment complex composed of four apartment buildings and a clubhouse. The complex was constructed in 2004 and is located on a 7.523 acre site in Lincoln, Logan County. The property was built as a low income housing project under Section 42 of the Internal Revenue Code.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,650,000 as of January 1, 2006. The appellant also submitted a copy of the final decision issued by the Logan County Board of Review establishing a total assessment for the subject of \$1,314,280, which reflects a market value of approximately \$3,949,160 using the 2005 three year median level of assessments for Logan County of 33.28%. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Logan County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	14,610
IMPR.:	\$	534,510
TOTAL:	\$	549,120

Subject only to the State multiplier as applicable.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

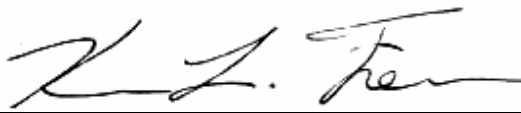

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$1,650,000 as of January 1, 2006. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$1,650,000 as of January 1, 2005. Since market value has been determined the 2005 three year median level of assessments for Logan County of 33.28% shall apply. 86 Ill.Admin.Code 1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
